

MY MOTHER'S ROASTING RHYMES AGAIN

By KM Churchill

My mother's roasting rhymes again
Sometimes it's quite amusing.
She sautés words then pairs a rhyme
It's almost like she's cooking.

I love you lots like jelly tots!
- She whips them up quite quickly
You're looking lean like lima beans!
- She thinks it is pretty nifty.

Round Halloween, she's rather keen
To call me Scrunchkin-Bunchkin.
She calls it from the kitchen where
She's baking pies with pumpkin.

Give her a hug, soon it's a squish
Then you're a squishy-fishy!
I wouldn't mind except that I'm
A man now in my 50's!
